

Sandra G. (Sandy) Carmany **Council Member, District 5** **City of Greensboro**

A strong background in Education and Civic activities has enabled Council Member Sandy Carmany to provide excellent leadership for the people in her district. Carmany's take-charge personality and strong work ethic ensure that citizen's voices are represented in City government. Her interest and expertise in transportation and mass transit issues have served city residents well.

"Open communication, advocating for the average citizen, and ensuring good transportation options are my priorities as the elected representative for District 5. Educating citizens and empowering neighborhoods to work with city government are key components of my job."
